At a glance

The following products are now available with retail packaging:

- ThinkPad Essential Port Replicator
 - Standard device and video ports — Four USB 2.0 ports, one PS/2 port for mouse, one serial port and VGA for monitor
 - Communication ports — Gigabit Ethernet (RJ-45) and modem (RJ-11)
- ThinkPad USB Travel Mouse
 - Programmable wheel for scrolling acts as a third button
 - 800 dpi optical technology for excellent precision control
- Lenovo Carrying Case — Messenger
 - Separate areas for your writing pads, notebooks, folders, and power adapter to complement your Lenovo notebook
 - Notebook compartment supports up to 15.4-inch wide system
- ThinkPad USB Keyboard with UltraNav
 - Two USB ports to connect multiple USB devices reducing the need for an external hub
 - Function (Fn) key provides access to key ThinkPad notebook features such as speaker volume, LCD/external monitor select, LCD brightness, system sleep and suspend controls

Overview

The accessories featured in this announcement were previously announced. They are now available with new retail packaging.

ThinkPad® Essential Port Replicator — Ideal for notebook users who need access to a network, monitor, and multiple USB-attach peripherals. For a list of features and benefits, refer to the Description section.

ThinkPad USB Travel Mouse — Lightweight, travel-sized mouse that offers excellent precision control for right- or left-handed users. Its compact design is ideal for the mobile traveler or for anyone who prefers a form factor smaller than a traditional full-size mouse. It also includes a PS/2® adapter that lets you use your existing USB ports for another device.

Lenovo™ Carrying Case — Messenger — Easily transports and protects your Lenovo notebook computer in affordable style. Each lightweight case has a padded pocket for your notebook that helps guard it against the bumps and jostles of travel. Lenovo Carrying Cases offer up-to-date features to create a convenient and efficient mobile office without sacrificing style. Lightweight Lenovo Carrying Cases

complement the look and feel of your Lenovo notebook on the outside, and deliver clever function and convenience on the inside. For a list of features and benefits, refer to the Description section.

ThinkPad USB Keyboard with UltraNav — Legendary ThinkPad notebook keyboard look and feel available for desktop systems or for ThinkPad docking solutions. For the ultimate in pointing flexibility, this multi-pointing system combines a customized touch pad and the TrackPoint®. The two, built-in USB ports conveniently provide additional expansion. This is the only external keyboard that allows you to close the ThinkPad notebook LCD and still access key ThinkPad notebook features requiring the function (Fn) key, such as system sleep and suspend.

ThinkPad UltraNav, an example of ThinkVantage™ Design, lets you choose which pointing device to use: TrackPoint, touchpad, or both. It also eliminates the need for an external mouse and saves desktop space. For additional details, refer to the Description section.

Key prerequisites

- ThinkPad Essential Port Replicator — Uses the system 90 W ac adapter, which can be purchased separately; refer to the **Hardware requirements** and **Limitations** sections
- ThinkPad USB Travel Mouse — Lenovo or Lenovo-compatible PC with enabled USB port; operating system that works with a standard USB port such as Microsoft™ Windows™ 98, Windows 2000, Windows Me, or Windows XP
- ThinkPad USB Keyboard with UltraNav — Lenovo-compatible desktop or ThinkPad notebook system; with an enabled USB port

Product number: For details, refer to the Product number section in this announcement.

Description

ThinkPad Essential Port Replicator

Features and benefits include:

- Left corner alignment for easy system attachment
- Convenient buttons for easy system ejection
- Standard device and video ports — Four USB 2.0 ports, one PS/2 port for mouse, one serial port and VGA for monitor
- Communication ports — Gigabit Ethernet (RJ-45) and modem (RJ-11)
- Optional cable lock slot to secure your ThinkPad notebook and your ThinkPad Essential Port Replicator
- Warranty by Lenovo with renowned Service and Support available from IBM.

ThinkPad USB Travel Mouse

- Programmable wheel for scrolling acts as a third button
- 800 dpi optical technology for excellent precision control
- Small size, lightweight
- Designed for right- and left-handed users
- Cable wrap to secure cable when traveling
- Four-foot cable with PS/2 and USB connector

Lenovo Carrying Case — Messenger

Features and benefits include:

- Use the workstation area to keep your essentials handy — Pockets let you organize your pens and valuables
- Separate areas for your writing pads, notebooks, folders, and power adapter to complement your Lenovo notebook
- Convenient and stylish messenger style bag
- Notebook compartment supports up to 15.4-inch wide system

USB Keyboard with UltraNav

- Two USB ports to connect multiple USB devices reducing the need for an external hub
- Function (Fn) key provides access to key ThinkPad notebook features such as (depending on model) speaker volume, LCD/external monitor select, LCD brightness, system sleep and suspend controls
- Integrated keyboard cord wrap lets you adjust the length of the cord for use or storage
- Adjustable keyboard feet provide for three levels of typing comfort; flat (folded under), level-1, and level-2.

Additional information: All offers are subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time without notice. Lenovo is not responsible for photographic or typographic errors.

Lenovo makes no representation or warranty regarding third-party products or services.

All other terms and conditions are the same as those applicable to the Lenovo machine type in which the feature is installed.

Help and service information — Features and options

During the warranty period, support for a warranty related issue can be obtained by accessing Lenovo's online services (requires Internet access account, not included) or calling the Support Center, 24 hours a day, 7 days a week, to answer any questions regarding your new Lenovo option. Response time will vary depending on the number and nature of calls received. If you need warranty service, return or exchange is available. In addition, if your Lenovo option is installed in an Lenovo computer, you may be entitled to service at your location. For general questions related to the use of your options, fee-based support is available. Your technical support representative can help you determine the best alternative.
